SUBJECT: General Awareness Training for Combating Trafficking in Persons

TIP awareness training is mandatory for all DoD personnel in accordance with DoD Instruction 2200.0 I, "Combating Trafficking in Persons (CTIP)," dated September 15, 2010. It is also required that Heads of the DoD Components provide CTIP training program data to USD (P&R) for the Department's CTIP Annual Training Report.

The updated General Awareness training module provides information regarding policy and laws applicable to Trafficking in Persons (TIP). The training explains what is trafficking in persons, who is involved, why TIP occurs, and how people become victims of TIP.

Source files will be given to TIP representatives to have the training placed on their Learning Management Systems. The training will also be available on the Advanced Distributed Learning on-line for global distribution in December 2010. The web site for users is <https://nemesis.jfcom.mil>. Questions regarding the training or request for additional information should be presented to my point of-contact, Linda Daniels, who can be contacted at linda.daniels@osd.pentagon.mil or (703) 696-7186.
